IELTS™ Testing Here

IELTS
雅思课程

IELTS test results are common amongst Canadian university entrance requirements, and is often one of the biggest challenges for International students. That's why Amberson hired IELTS teachers onsite to work with individual schedules, and ensure they all have extensive knowledge of the test itself.

EAP Program
Pathway项目

Amberson partnered with CultureWorks to bring the only English for Academic Purposes (EAP) program in Toronto this year. EAP is different from traditional third-party language programs, as it combines high school course material with University English requirements, so that students can complete their English Proficiency requirements while earning their OSSD. EAP offers the following benefits:

- Exclusive in Toronto
- Recognized by Top Universities
- Direct Entry into University upon completion
- Flexible courses
- Lowered costs

- 多伦多独家
- 众多知名大学认可
- 项目毕业直录大学
- 课程灵活
- 减少花销

AP Courses
AP课程

Advanced Placement (AP) is an internationally acknowledged program that allows students to take courses in high school designed to imitate an intro-level university class. Once students pass the AP Exam, they can also qualify for university credit equivalencies. Students will be more well-prepared, more well-rounded, and in general much better adjusted to the university experience after their entry. Based on university reports, those who took the AP Exam often gain a head start compared to their peers who don't have the AP experience!

大学先修课程（AP）是一项由来已久的国际化规范教育课程。在此课程中，学生可在高中阶段选修一门或多门大学课程，学习结束且考试合格后，有资格获得大学学分、跳级、或者二者皆有。通过AP课程，学生可在高中阶段更加深入的了解大学的标准和要求，多年调查和研究也不断证明，修过AP课程的学生在大学阶段均比其余学生更加游刃有余、准备更充分、且在大学里综合表现更为优秀。
